[Antelope](#)

Mr Hooper,

Wee have received yours of the 12<sup>th</sup> present with the remaine of her majesty's ship the [Antelope](#), and accordingly send you inclosed a proportion of her supply.

Wee likewise send you inclosed an accompt of the Number and Natures of Gunns that her majesty's ship the [Royal Katherine](#) is now established with, and you are as soon as possible to acquaint us if you can answer the same, if not to send up an accompt of what number and Nature of gunns you can supply her with, and what Number of Ports she now has. Which is all at present from.
