Sir

I have yours of the 8<sup>th</sup> about the mistake made in remains of the [Monks Prize](#) and as they were taken by survey it cannot be supposed an oversight in you, however it appears that the 150 Falcon Shott omitted in the survey were on board in March when you sent up a Remaine and as he made noe Expence since they may be reasonably supposed to be left on board when M<sup>r</sup>: Willis left the Ship which I would desire you would give your self the trouble to enquire into as soon as possible and favour me with an answer that I may be able to deliver him his Certificate. I am

Your Humble Servant
