& Experiment to write for y^e Cannon etc

W^m Pitt Rivers
for the Office of the Ordnance
at London

Office of Ordnance
22th July 1710

M^r: Cooper

I am commended by the Board to return the
receipt of yours of the 13th & 20th instant, and in
answer to acquaint you, that you may draw for what
money you shall want to pay the Labourers &c in
the last Quarter as usual, and that the Store you
demanded to complete the Proportion for the Ship you are
now fitting out, are ordered to be sent by Land Carriage
on Monday next, but the Board expect you should give
them earlier if your want.

For M^r:s Ship the Experiment being ordered to
be refitted at Portm^o for Cannon Service, you are
desired to take out her Guns & Gunner's Store during
the Towing thereof and send up her Remains as usual

And her M^r:s Ship the Colchester being
ordered to be fitted at Spithhead for a Voyage to the West
Indies, the Board have ordered a Proportion for her
accordingly, as I can't be poss^l to sign it till they meet next
Tuesday — I am

Your most humble Serv^t
John Pitt Rivers
