

Mr Baxter
 Office of Ordnance
 Feby 16, 1719

In answer to yours of yesterday
 date I am to acquaint you that by the last post I wrote to
 you by the Surveyor's Genl's order not to send the guns,
 but you are to send the Mortars belonging to the Speedwell
 Bomb by any vessel that will take them in, Mr. Bennett's
 Ship is now loaded at Plymouth for Woolwich, if she
 should put in to your Port, you are to take as much
 of her loading out as will lighten her to take them in,
 if not, nor do other opportunity offers, you are to send
 them by the Marlborough's Ship if she is fit to
 bring them, but you must care no time

I am
 Yr. humble Servant
 John Jones

From Mr. Bill Jones
 of 16 St. Dun's 1719 to the
 the Speedwell from Capt
 Bennett in the Marlboro
 they for service to Woolwich

To
 Mr. John Bontle of the Office
 of the Ordnance at
 7

7

From M^r Bell Jones
Of 16 Febru^{ry} 1719/20 to send
The [Speedwell](#) Two Brass
Morters in the Marlbr^o
Hoy forthwith to Woolwich

Date stamped 16/FB

On his Maj^{ty}s service

To
Mr John Baxter at the Office
of His Majesty's Ordnance at
Portsmouth

Mr Baxter

Office of Ordnance

Feb^{ry} 16, 1719

In answer to yours of yesterdays
date, I am to acq^t you that by the last post I write to you
by the Survey^r Gen^ls order not to send the gunns but you
are to send Y^e Mortars belonging to the [Speedwell](#)
Bomb by any veSsel that will take them in, Mr Bennett's
Hoy is now loaded at Plymouth for Woolwich, if she
put into your Port you are to take out as much
of her loading out as will lighten her to take them in,
if not, not no other opportunity offers, you are to send
them by the Marlborough Hoy if she is fit to
bring them, but you must lose no time
