August 1st 1709 The master gunner of the Towey Indent

This Indenture made the *Third* day of *August* 1710 in the *Ninth*

year of reign of our sovereign Lady ANNE, by the grace of God, QUEEN of Great Britain, France and Ireland, Defender

of the Faith, &c. BETWEEN His grace John Duke of Malborough Master

General of Her MAJESTY's Ordnance and the Principal Officers of the same, on the behalf of Queen's most Excellent

Majesty on the one part; And James Tankerill Master Gunner of her majesty's shipp the Towey

on the other part; Witnesseth, That the said Master Gunner hath received into his Custody out of Her Majesty's

Stores within the Office of the Ordnance, Carriages, Powder, Shot, Match Musquets, and other Muni-

tion and Habilaments of War hereafter expressed, for the better Strengthening and furnishing the said Ship, appointed to serve at the seas, in Her Majesty's Service by order of the Board Dated the 13th May 1710 and the 11th instant

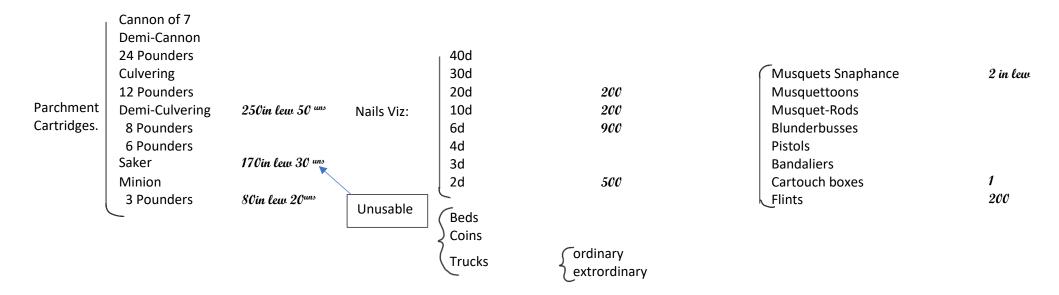

And the said Master Gunner doth covenant with said Officers, that at the End of the Service, he shall and will re-deliver or cause to be re-delivered back into the said Stores every part and parcel of the said Munition, which shall not be truly expended in the said service with a true and perfect Account of the Expenditure of the residue.
