

Office of Ordnance
16th November 1795.

Gentlemen

Captain Douglas of His
Majesty's Gun Boat L'Eclair having
requested that one of the Guns onboard that
Vessel might be fixed on a common Sea
Swivel Barge, to enable it to be pointed
either on the Quarter or Beam as well as
a Stern, & that a Supply of one hundred
Round Shot might be issued to her.

The Board desire you will
cause Captain Douglas's Request above
stated to be complied with.

Yours faithfully
Gentlemen
